

NEW 2017-18 Influenza Immunization Program Documents Available on the On-Line Formulary

Program documents for the 2017-18 Influenza Immunization Program (IIP) are now available under the new "Influenza Immunization Program" tab on the on-line Formulary at the following link:
<http://formulary.drugplan.ehealthsask.ca/InfluenzaProgram.aspx>.

This will provide increased accessibility to IIP documents for all pharmacy staff.

In future, IIP documents will be posted on the on-line Formulary and will not be faxed to pharmacies. The Drug Plan and Extended Benefits Branch (DPEBB) will NO LONGER send fax notification to pharmacies when new or updated IIP documents are posted. Pharmacy staff should check the website on a regular basis.
